Explosions by Ellie Goulding

You trembled like you'd seen a ghost

And I gave in

I lack the (1)_____ you need the most, you said

Where have you been

You wasted all that sweetness to run and hide

I wonder why

I (2)_____ you of the days you poured your heart into

But you (3)_____ tried

I've fallen from grace, took a blow to my face

I've loved and I've lost, I've loved and I've lost

Explosions

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same

It will never be the same

You left my soul bleeding in the dark

So you could be king

The (4)_____ you set are still (5)_____ to me and I've

Lost my faith in everything

The (6)_____ you could cope

Your intentions were gold

But the mountains will shake

I need to (7)_____ I can still make explosions

On the day you (8)_____ up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same

And as the floods (9)_____ in

And your body starts to sink

I was the last thing on your mind

I (10)_____ you better than you think

'Cause it's simple, darling

I gave you a warning

Now everything you own

Is falling from the sky in pieces

So watch them fall with you in slow motion

I pray that you'll find peace of mind

And I'll find you another time

I'll love you, another time

Explosions

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same
