

## Fill in the gaps

## Careless Whisper by George Michael

I feel so unsure	Tonight the music seems so loud
As I (1) your hand and lead you to the dance floor	I (17) that we could lose this crowd
As the music dies something in your eyes	Maybe it's (18) this way
Calls to mind a (2) screen and all its sad	We'd hurt each other with the things we (19) to say
goodbyes	We could have been so good together
I'm never gonna dance again	We (20) have lived this dance forever
Guilty (3) got no rhythm	But now, who's gonna dance (21) me?
Though it's easy to pretend	Please stay
I know you're not a fool	I'm never gonna (22) again
I should have (5) better than to cheat a friend	Guilty feet have got no rhythm
And waste a chance (6) I'd been given	Though it's easy to pretend
So I'm never gonna dance again	I know you're not a fool
The way I danced (7) you	I should have known better than to cheat a friend
Time can never mend	And waste a chance that I'd been given
The (8) of a	So I'm (23) dance again
(10) friend	The way I danced with you
To the heart and (11) ignorance is kind	(Now that you're gone)
There's no comfort in the truth, pain is that all you'll find	Now (25) you're gone
I'm never gonna (12) again	(Now that you're gone)
Guilty feet (13) got no rhythm	Was what I did so wrong?
Though it's easy to pretend	So wrong (26) you had to leave me alone?
I know you're not a fool	
I should (14) known better than to cheat a friend	
And waste a chance that I'd been given	
So I'm (15) gonna (16) again	
The way I danced with you	
With or without your love
