Fill in the gaps

Careless Whisper by George Michael

I feel so unsure	I onight the music seems so loud
As I take your hand and lead you to the dance floor	I wish that we could lose this crowd
As the (1) dies something in your eyes	Maybe it's better this way
Calls to mind a silver screen and all its sad goodbyes	We'd hurt each other with the things we want to say
I'm never gonna dance again	We could have been so (7) together
Guilty feet have got no rhythm	We could have lived (8) dance forever
Though it's easy to pretend	But now, who's gonna (9) with me?
I know you're not a fool	Please stay
I should have known (2) than to cheat a friend	I'm never gonna dance again
And waste a chance that I'd been given	Guilty feet have got no rhythm
So I'm never gonna dance again	Though it's easy to pretend
The way I danced with you	I know you're not a fool
Time can never mend	I should (10) known better than to cheat a friend
The careless whispers of a good friend	And waste a chance that I'd been given
To the heart and mind ignorance is kind	So I'm never gonna dance again
There's no (3) in the truth, pain is that all	The way I danced with you
you'll find	(Now that you're gone)
I'm never gonna dance again	Now that you're gone
Guilty feet have got no rhythm	(Now that you're gone)
Though it's easy to pretend	Was what I did so wrong?
I know you're not a fool	So wrong that you had to leave me alone?
I should have known better than to cheat a friend	
And waste a chance that I'd been given	
So I'm (4) gonna (5) again	
The way I danced with you	
With or (6) your love
