

No words I know of to express

This emptiness

Fill in the gaps

My Friends by Red Hot Chili Peppers

My (1) are so depressed		I love all of you	
I feel the questions of (2) loneliness		Hurt by the cold	
Confide		So hard and lonely too	
'Cause I'll be on your side		When you don't (6)	_ yourself
You know I will, you (3) I will		Imagine me, taught by tragedy	
Ex-girlfriend called me up		Release is peace	
Alone and desperate on the (4)) phone	I heard a little girl	
They want to give her seven years		And what she said was something beautiful	
For being sad		To give your (7) i	no matter what
I love all of you		Is what she said	
Hurt by the cold		I love all of you	
So hard and (5)	too	Hurt by the cold	
When you don't know yourself		So hard and (8)	too
My friends are so distressed		When you don't (9)	_ yourself
And standing on the brink of emptiness
