

Fill in the gaps

| .a la la la lei | I gotta earn every breath you take |
|---|--|
| .a la lei | Baby, never mind the rules we break |
| .a la la la la lei | Cause it's an animal city |
| _a la lei | It's a cannibal world |
| Vhy do all my friends | So be obedient, don't argue |
| Now want to be your lovers? | Some are ready to bite you |
| our family got bigger | It's an animal city |
| When they thought you were rich | It's a cannibal world |
| And now like maniacs | So be obedient, don't argue |
| They scratch your back | Some are ready rip you right off |
| Even when it doesn't itch | With you I feel safe |
| want to figure it all | There's nothing to fear from us |
| want to figure it all out | Away from the fangs |
| want to save you from | The fangs of the world |
| Save you from all the fame | I may be a coward but you are brave |
| Save you from the things that (1) us pain | And nothing (7) so dangerous |
| Cause it's an (2) city | Cause it's an animal city |
| t's a cannibal world | It's a cannibal world |
| So be obedient, don't argue | So be obedient, don't argue |
| Some are ready to fight you | Some are ready to bite you |
| t's an animal city | It's an animal city |
| t's a cannibal world | It's a cannibal world |
| So be obedient, don't argue | So be obedient, don't argue |
| Some are ready to fight you | Some are ready rip you right off |
| My love | Cannibal world |
| They believe you now | Cannibal world |
| Have (3) you wanted | Cannibal world |
| And (4) you have become a star | Cannibal world |
| ou got no right to bitch | So be obedient, don't argue |
| But someday when you fail | Some are (8) to bite you |
| They'll put you on sale | My (9) |
| And buy you by the inch | You can call me a (10) but you can't call me a |
| But you're the (5) deal | saint celebrate me for who I am dislike me for what I ain't. |
| And "real" is your middle name | |
| (ou know (6) Lifeel | |

- 1. cause
- 2. animal
- 3. everything
- 4. once
- 5. real
- 6. sometimes
- 7. seems
- 8. ready
- 9. love
- 10. sinner
