Another Way To Die by Disturbed

and no one is

	Greed and hunger led to our demise
The indulgence of our lives	A path I can't believe we followed
Has cast a shadow on our world	Black agenda's rooted in a lie
Our devotion to our appetites	Will we repent in time?
Betrayed us all	Species (4) before our (5) eyes
An apocalyptic plight	A world that they cannot (6) in
More destruction will unfold	Left them with another way to die
Mother Earth will show her (1) side	Are we dead inside?
And take her toll	The time bomb is (7) and no
It's (2) another way to die	listening
There can be another reason why	Our future is fading
You know we should have seen it coming	Is there any hope we'll survive?
Consequences we cannot deny	Still, we ravage the (8) that we love
Will be revealed in time	And the millions cry out to be saved
Glaciers melt as we pollute the sky	Our endless maniacal appetite
A sign of (3) coming	Left us with another way to die
We don't need another way to die	It's just another way to die
Can we repent in time?	Still, we ravage the world that we love
The Time bomb is ticking and no one is listening	And the millions cry out to be saved
Our future is fading	Our endless (9) appetite
Is there any hope we'll survive?	Left us with another way to die
Still, we ravage the world that we love	It's (10) another way to die
And the millions cry out to be saved	(Oooh) can we repent in time?
Our endless maniacal appetite	It's just another way to die
Left us with another way to die	(Oooh) can we repent in time?
It's just another way to die	
Can we repent in time?
