

## Fill in the gaps

### The Sweet Escape by Gwen Stefani

if I could escape I would but,	If I (18) be sweet (sorry boy)
First of all, let me say	I know I've been a real bad girl (I'll try to change)
I must apologize for acting stank & treating you this way	I didn't mean for you to get hurt (whatsoever)
Cause I've been acting like sour milk all on the floor	We can make it better
lt's (1) (2) you didn't shut the	& (19) me boy now (20)
refrigerator	that be sweet? (sweet escape)
Maybe (3) the reason I've (4)	Woohoo, Yeehoo
acting so cold?	Woohoo, Yeehoo (If I could escape)
[Chorus]	Woohoo, yeehoo (If I could escape)
If I could escape & recreate a place that's my own world	Woohoo, Yeehoo
& I could be your favourite girl (forever), Perfectly together	Cause I've been acting like (21) milk all on the
Tell me boy now wouldn't that be sweet? (sweet escape)	floor
If I could be sweet, I know (5) been a real bad	It's your (22) you didn't shut the refrigerator
(6) (I'll try to change)	Maybe that's the reason I've (23)
I didn't mean for you to get hurt (whatsoever)	(24) so cold?
We can (7) it better, Tell me boy wouldn't	[Chorus]
(8) be sweet? (sweet escape)	If I could escape & recreate a place that's my own world
[Akon]	& I could be your favourite (25) (forever), Perfectly
I want to get away, to our sweet escape	together
I want to get away, yeah	& tell me boy now wouldn't that be sweet? (sweet escape)
[Gwen]	If I could be (26) (sorry boy)
You held me down, I'm at my lowest (9)	I know I've been a real bad girl (I'll try to change)
point	I didn't mean for you to get hurt (whatsoever)
Come help me out, I need to get me out of this joint	We can make it better
Come on let's bounce, (10) on you to	& tell me boy now (27) that be sweet?
turn me around	(sweet escape)
Instead of (11) around, let's look for	Woohoo, Yeehoo (I wanna get away, get away)
some (12) ground	Woohoo, Yeehoo (To our sweet escape)
So baby, times get a little crazy	Woohoo, Yeehoo (I (28) get away)
I've been gettin' a little lazy, (13) on you	Woohoo, Yeehoo (Yeah)
to (14) save me	Woohoo, Yeehoo
I can see that you're angry by the way that you	Woohoo, Yeehoo
(15) me	
Hopefully you don't leave me, wanted you with me	
[Chorus]	
If I could (16) & recreate a place that's my	
own world	
& I could be your favourite girl (forever), Perfectly together	
& (17) me boy now wouldn't that be sweet? (sweet	
escape)
