The Sweet Escape by Gwen Stefani

& tell me boy now wouldn't that be sweet? (sweet escape)

f I could escape I would but,	If I could be sweet (sorry boy)
First of all, let me say	I know I've been a real bad girl (I'll try to change)
must apologize for acting stank & treating you this way	I didn't mean for you to get hurt (whatsoever)
Cause I've been acting like sour milk all on the floor	We can make it better
t's your fault you didn't shut the refrigerator	& tell me boy now wouldn't that be sweet? (sweet escape)
Maybe that's the reason I've been acting so cold?	Woohoo, Yeehoo
Chorus]	Woohoo, Yeehoo (If I could escape)
f I could escape & recreate a place that's my own world	Woohoo, yeehoo (If I could escape)
& I could be your favourite girl (forever), Perfectly together	Woohoo, Yeehoo
