

Spend all your time waiting

For that second chance For a break that (1)\_\_\_ \_\_\_ make it okay There's always some reason To feel not good enough And it's hard at the end of the day I need some distraction (Oh) beautiful release Memory (2)\_ \_\_\_\_\_ from my veins Let me be empty And weightless and maybe I'll find some peace tonight In the arms of an angel Fly away from here From this dark cold hotel room And the endlessness that you fear You are pulled from the wreckage Of your silent reverie You're in the arms of the angel May you find Some comfort here So (3)\_\_\_\_\_ of the straight line And (4)\_\_\_\_\_ you turn

There's vultures and thieves at your back
