What have we done with innocence		Temper
It disappeared (1) time it (2)	made	Temper
much sense		One last thing before I quit
Adolescent resident		I never wanted any more (7) I could fit
Wasting another night on planning my revenge		Into my head I still remember
One in ten		Every single word you said
One in ten		And all the shit that somehow came along with it
One in ten		Still there is one thing that comforts me
Don't (3) to be your monkey wrench		Since I was always caged and now I'm free
One more (4) accident		Don't want to be your monkey wrench
I'd rather leave than (5) this		One more indecent accident
I'll never be your monkey wrench		I'd rather leave (8) suffer this
All this time to make amends		I'll never be your monkey wrench
What do you do when all your enemies are friends?		Don't (9) to be (10) monkey wrench
Now and then I'll try to bend		(Fall in fall out)
Under pressure (6) up snapping in the end		Don't want to be your monkey wrench
One in ten		(Fall in fall out)
One in ten		Don't want to be your monkey wrench
One in ten		(Fall in fall out)
Don't want to be your monkey wrench		Don't want to be your monkey wrench
One more indecent accident		
I'd rather leave than suffer this
