

Fill in the gaps

nello
I've waited here for you
Everlong
Tonight
I (1) myself into
And out of the red, out of her head she sang
Come down
And waste (2) (3) me
Down with me
Slow how
You wanted it to be
I'm over my head, out of her head she sang
And I wonder
When I sing (4) with you
If everything could ever feel this real forever
If (5) could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
She sang
Breathe out
So I could breathe you in
Hold you in

And now
I know you've always been
Out of (6) head, out of my head I sang
And I wonder
When I sing along with you
If everything could ever feel this real forever
If anything could ever be (7) good again
The (8) thing I'll ever ask of you
You've got to promise not to stop when I say when
She sang
And I wonder
If everything could ever feel this real forever
If anything could ever be this good again
The (9) thing I'll ever ask of you
You've got to (10) not to stop when I say
when
If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
