

If I called you lately

Fill in the gaps

On the corner	I could be your man
Into my car	(Woah woah)
I drive forever	(Woah woah)
And (1) get far	Shut it down
The 45 is slowly getting loaded	Now (5) in my eyes
Send another (2) to my star	Knock 'em dead
California (3) in the morning	A covered in flies
Stitch it up	The big sleep
Get it off	Without A bed of roses
All along the woman's got a warning	A light of day
Stitch it up	Will never (6) lies
Get it off	Fall along the woman's got a warning
We all walked your pavement	Stitch it up
Get it off	Get it off
Take more than your	California mountains in the morning
(Woah woah)	Stitch it up
(Woah woah)	Get it off
A pendulum inside of my head	We all (7) your pavement
Swinging low I hope to get hit	Take more than your faith
The (4) is slowly adding up	If I called you lately
Another drop will never fix it	I could be your man
California mountains in the morning	I could be (8) greatness
Get along	If I called you lately
Get it off	I could be (9) man
All along the woman's got a warning	On the river
Stitch it up	Into my dock
Get it off	I paddle through
We all walked your pavement	The shadow and fog
Get it off	To ponder all of those
Take more than your	That came before me
Faith	Another piece for
If I called you lately	Building my arch
I could be your man	
I could be your greatness
