I got dosed by you	This is the way I knew (4) it would be (5)
Closer than most to you	you
What am I (1) to do	Lay on, lay on, lay on
Take it away I never had it anyway	Lay on, lay on, lay on
Take it (2) and everything will be okay	Way upon the mountain where she died
In you a star is born	All I ever wanted was your life
You cut a perfect form	Deep inside the canyon I can't hide
Someone (3) warm	All I ever wanted was (6) life
Lay on, lay on, lay on	I got dosed by you
Lay on, lay on, lay on	Closer than most to you
Way upon the mountain where she died	What am I supposed to do
All I ever wanted was your life	Take it away I never had it anyway
Deep inside the canyon I can't hide	Take it (7) and everything will be okay
All I ever wanted was your life	Way (8) the (9) where she
Show love with no remorse	died
Climb onto your seahorse	All I ever wanted was (10) life
This ride is right on course	Deep inside the canyon I can't hide
This is the way I wanted it to be with you	All I ever wanted was your life
