

Fill in the gaps

I got (1) by you		This is the way I knew that it would be with you
Closer than most to you		Lay on, lay on, lay on
What am I supposed to do		Lay on, lay on, lay on
Take it away I never had it anyway		Way upon the mountain where she died
Take it away and (2)	(3)	All I ever wanted was (5) life
be okay		Deep inside the canyon I can't hide
In you a star is born		All I ever wanted was your life
You cut a perfect form		I got dosed by you
Someone forever warm		Closer than most to you
Lay on, lay on, lay on		What am I (6) to do
Lay on, lay on, lay on		Take it (7) I never had it anyway
Way upon the mountain where she died		Take it (8) and everything (9) be okay
All I ever wanted was your life		Way upon the mountain where she died
Deep inside the (4) I can't hide		All I ever wanted was your life
All I ever wanted was your life		Deep inside the canyon I can't hide
Show love with no remorse		All I ever wanted was your life
Climb onto your seahorse		
This ride is right on course		
This is the way I wanted it to be with you
