Fill in the gaps

While Your Lips Are Still Red by Nightwish

Sweet little words made for silence
Not talk
Young heart for love
Not heartache
Dark hair for catching the wind
Not to veil the sight of a cold world
Kiss, while your lips are still red
While he's still silent rest
While bosom is still untouched, unveiled
Hold another hand
While the hand's still without a tool
Drown into eyes while they're still blind
Love while the night still (1)_____ the withering dawn
First day of love never comes back
A passionate hour's never a wasted one
The violin, the poet's hand
Every thawing heart plays (2)_____ theme with care
Kiss, (3)_____ (4)_____ lips are still red
While he's (5)_____ silent rest
While bosom is still untouched, unveiled
Hold another hand
While the hand's still without a tool
Drown into eyes while they're still blind
Love while the night still hides the withering dawn…
(Oh…)
Kiss, while your lips are still red
While he's still silent rest
While bosom is (6)_____ untouched, unveiled
Hold another hand
While the hand's still without a tool
Drown into (7)_____ while they're still blind
Love (8)_____ the (9)_____ still hides the
(10)_____ dawn…

Fill in the gaps
