## While Your Lips Are Still Red by Nightwish

Sweet little words made for silence	Kiss, while your lips are still red
Not talk	While he's still silent rest
Young heart for love	While bosom is still untouched, unveiled
Not heartache	Hold another hand
Dark hair for catching the wind	While the hand's (8) without a tool
Not to veil the sight of a (1) world	Drown into eyes while they're still blind
Kiss, while your lips are still red	Love while the night still hides the withering dawn
While he's still silent rest	(Oh)
While bosom is (2) untouched, unveiled	Kiss, while your lips are still red
Hold another hand	While he's still silent rest
While the hand's still without a tool	While bosom is still untouched, unveiled
Drown into eyes while they're (3) blind	Hold another hand
Love while the (4) still hides the	While the hand's still without a tool
(5) dawn	Drown (9) eyes while they're (10)
First day of (6) never comes back	blind
A passionate hour's never a wasted one	Love while the night still hides the withering dawn
The violin, the poet's hand	
Every thawing (7) plays your theme with care
