

## Fill in the gaps

The secret side of me	I must confess that I feel like a monster
I (1) let you see	I (7) it deep within
I keep it caged but I can't control it	It's (8) beneath the skin
So stay away from me	I must confess that I feel like a monster
The beast is ugly	I, I feel like a monster
I feel the rage and I just can't hold it	I, I feel like a monster
It's scratching on the walls	It's hiding in the dark
In the closet, in the halls	It's teeth are razor sharp
It comes awake and I can't control it	There's no escape for me
Hiding under the bed	It wants my soul, it wants my heart
In my body, in my head	No one can hear me scream
Why won't somebody (2) and save me from this	Maybe it's just a dream
Make it end?	Maybe it's inside of me
I feel it deep within	Stop this monster
It's just beneath the skin	I feel it deep within
I must confess that I feel like a monster	It's just beneath the skin
I hate (3) I've become	I must confess that I feel like a monster
The nightmare's just begun	I hate what I've become
I must confess that I feel like a monster	The nightmare's just begun
I, I feel like a monster	I must confess that I feel like a monster
I, I (4) like a monster	I feel it deep within
My secret side I keep	It's just beneath the skin
Hide under lock and key	I must confess that I feel like a monster
I keep it caged but I can't control it	I've gotta lose control
'Cause if I let him out	Here's something radical
He'll tear me up, break me down	I must confess that I feel like a monster
Why won't (5) come and save me from	I, I (9) like a monster
this	I, I feel like a monster
Make it end	I, I feel like a monster
I feel it (6) within	I, I feel (10) a monster
It's just beneath the skin	
I must confess that I feel like a monster	
I hate what I've become	
The nightmare's just begun
