

Fill in the gaps

| Let's play a game my dear, you | TO UNITOID |
|--|--|
| Read my mind | Under the influence of wine and jazz |
| While I try to figure out | I will say I (6) you |
| What's inside | Then you |
| Under the influence of wine and jazz | You will believe me though |
| I (1) say I love you | One day |
| So you, you will believe me though | I am feeling fine |
| One day | But then the next I'm feeling down |
| I am (2) fine | And I don't think that you have ever known me well |
| Oh, the next I'm feeling down | Or listened to those (7) I sang |
| And I don't think (3) you have (4) | They were about you |
| known me well | And I don't think that you have ever (8) this way |
| Or listened to the songs I sang | Or listened to those (9) I sang |
| They were honest | They were about you |
| And I don't think that you have ever felt this way | One day |
| Or listened to those words I sang | I am (10) fine |
| They were about you | So the next I'm feeling down |
| About you | I'm feeling down |
| You | I'm feeling down |
| You | I'm feeling fine |
| You | |
| My eyes have (5) with yours a million times | |
| Waiting for the silent dawn | |
