

Waiting for the silent dawn

## Fill in the gaps

Let's play a (1) my dear, you	To unfold
Read my mind	Under the influence of (13) and jazz
While I try to figure out	I will say I love you
What's inside	Then you
Under the (2) of wine and jazz	You (14) believe me though
I will say I (3) you	One day
So you, you (4) (5) me though	I am (15) fine
One day	But (16) the (17) I'm feeling down
I am feeling fine	And I don't think that you (18) ever
Oh, the next I'm feeling down	(19) me well
And I don't think that you have ever known me well	Or listened to those (20) I sang
Or listened to the songs I sang	They were about you
They (6) honest	And I don't think that you have (21) felt
And I don't think (7) you have ever (8)	(22) way
(9) way	Or listened to those words I sang
Or listened to those words I sang	They (23) you
They were (10) you	One day
About you	I am feeling fine
You	So the next I'm (25) down
You	I'm (26) down
You	I'm feeling down
My eyes have (11) with (12) a	I'm feeling fine
million times
