

## Fill in the gaps

Let's head for hell tonight	When we leave
You and I	We won't (15) (16) peacefully
No shackles in here can hold us down	Ash to ash, dust to lust
We'll (1) free	Through other's blood, we'll never rust
We (2) patiently	Forevermore as our love will sore
Break the walls, smoking gun	We are the darkest (17) from the heavens
Across the border unchained, unbound	above
We (3) free	The (18) coming (19) the fires
We (4) instantly	below
Ash to ash, dust to lust	And we won't die old, blessed by our (20)
Through other's blood, we'll never rust	homes
Forevermore as our (5) will sore	Shotgun romance, all natural born
We are the darkest angels from the (6)	Show no mercy, (21) them all
above	One kill, two souls
The (7) coming (8) the fires	(Oh) our hearts of cold
below	Hearts of cold
And we won't die old, (9) by our broken	Slay them all
homes	Cold
Shotgun romance, all natural born	The darkest angels (22) the heavens above
Show no mercy, slay them all	The outlaws coming from the fires below
One kill, two souls	And we won't die old, (23) by our
(Oh) our hearts of cold	(24) homes
Hearts of cold	Shotgun romance, all natural born
Scar this town, (10) the crime	Show no mercy, (25) them all
Baby, we'll (11) (12) tonight	One kill, two souls
We're set free	(Oh) our (26) of cold
We run famously	Hearts of cold
Through (13) miles, dusk 'til dawn	Cold
It might end today, but we (14) it far
