

If it's just the same or even worse Than reading poems to a horse (ah)

Fill in the gaps

You're too far to bring me close	You (4) on aiming for the top
Too high to see below	And quit before you sweat a drop
Just hangin' on your daily dose	Feed your empty brain
I (1) you never needed anyone	(With your hydroponic pot)
(But the (2) papers for your grass)	I bet you'll find someone like you
How can you give what you don't have	'Cause there's a foot for every shoe
You keep on aiming for the top	I wish you (5) but I've other things to do
And quit before you sweat a drop	I'll leave (6) 'cause I've been waiting in vain
I feed your empty brain	But you're so in love (7) yourself
(With your hydroponic pot)	If I say my heart is sore
I bet you'll (3) someone like you	Sounds like a cheap metaphor
'Cause there's a foot for every shoe	So I won't (8) it no more
And now I wish you luck	I'll (9) again 'cause I've been waiting in vain
But I've other things to do	But you're so in love, so in love with yourself
I'll leave again 'cause I've been waiting in vain	If I say my heart is sore
You're so in love with yourself	Sounds like a cheap metaphor
If I say my heart is sore	So I won't repeat it no more
Sounds like a cheap metaphor	I'll leave again 'cause I've been waiting in vain
I won't repeat it no, no more	But you're so in love, so in (10) with yourself
Rather eat my soup with a fork	If I say my heart is sore
Or drive a cab in New York	Sounds like a cheap metaphor
'Cause to talk to you is harder work	So I won't repeat it no more
What's the point of wasting all my words
