Fill in the gaps

Rehab by Rihanna & Justin Timberlake

Baby baby	Don't (12) recognize the ways you hurt me, do ya?
When we first met, I never felt something so strong	It's gonna take a miracle to bring me back
You were (1) my (2) and my best	And you are the one to blame
friend	'Cause now I feel like (ooh!)
All wrapped (3) one with a (4) on it	You're the reason why I'm thinking
And all of a sudden, (5) you left	I don't wanna smoke on these cigarettes no more
I didn't (6) how to follow	I (13) this is what I get for wishful thinking
It's like a shot that (7) me around	Should've (14) let you (15) my
And now my heart's dead	door
I feel so empty and hollow	Next time you wanna go on and leave
And I'll never give myself to another	I should just let you go on and do it
The way I (8) it to ya	Now I'm using like I (16) (now I'm using like I
Don't even recognize the (9) you hurt me, do ya?	bleed)
It's gonna take a miracle to bring me back	It's (17) I checked into rehab
And you are the one to blame	And baby, you're my (18) (you're my
And now I feel like (ooh!)	disease)
You're the reason why I'm thinking	It's (19) I checked into rehab
I don't wanna smoke on these cigarettes no more	And baby, you're my disease
I guess that's what I get for wishful thinking	I gotta check into rehab
Should've never let you enter my door	'Cause baby you're my (20) (you're my
Next time you wanna go on and leave	disease)
I should just let you go on and do it	I gotta check into rehab
'Cause now I'm using like I bleed	'Cause baby you're my disease
It's like I checked into rehab	Now ladies gimme that
And baby, you're my disease	(Oh oh oh oh oh oh oh)
It's like I checked into rehab	(Oh) now gimme that
Baby, you're my disease	(Oh oh oh oh oh oh oh)
I gotta check into rehab	(Oh) you're the reason why I'm thinking
'Cause baby you're my disease	I don't wanna smoke on these cigarettes no more
I've gotta (10) into rehab	I guess this is what I get for wishful thinking
'Cause baby you're my disease	Should've never let you enter my door
Damn, ain't it crazy when you're love-swept	Next (21) you (22) go on and leave
You'd do anything for the one you love	I should just let you go on and do it
Cause anytime that you needed me, I'd be there	'Cause now I'm using like I bleed
Its like you were my favorite drug	It's (23) I checked into rehab
The only problem was (11) you was using me	And baby, you're my disease
In a different way that I was using you	It's (24) I (25) into rehab
But now that I know that it's not meant to be	And baby, you're my disease
You gotta go, I gotta wean myself off of you	I gotta check into rehab
And I'll never give myself to another	'Cause (26) you're my disease
The way I gave it to ya	I've gotta check in to rehab
	'Cause baby you're my disease
