

My soul is a cry

## Fill in the gaps

(Te amo, te amo)	Without ask me why
She says to me	I said (te amo)
I hear the pain in her voice	Somebody tell me what she said
Then we (1) underneath the candelabra	Don't it mean I love you
She takes the lead	Think it means I love you
That's when I saw it in her eye	Don't it mean I (6) you
It's over	Yes we can dance
Then she says (te amo)	But you gotta watch your hands
Then she put her (2) around me waist	Watch me all night
I told her no	I move under the light
She (3) (te amo)	Because I understand
Told her I'm not gonna run away	That we all need love
But let me go	And I'm not afraid to (7) the love
My soul is a cry	But I don't feel that way
Without ask me why	Then she says (te amo)
I said (te amo)	Then she put her hand around me waist
Somebody tell me what she said	I told her no
Don't it (4) I love you	She cries (te amo)
Think it means I love you	I told her I'm not gonna run away
Don't it (5) I love you	But let me go
(Te amo, te amo) she's scared to breathe	My soul is a cry
I hold her hand, I got no choice (uhh)	Without ask me why
Pull me out on the beach, danced in the water	I said (te amo)
I start to leave	Somebody tell me what she said
She's begging me and asking why	Don't it mean I love you
It's over	Think it means I love you
Then she says (te amo)	Don't it mean I love you
Then she put her hand around me waist	Think it means I love you
I told her no	I love you
She cries (te amo)	(Te amo, te amo)
Told her I'm not gonna run away	Don't it mean I love you
But let me go
