

Fill in the gaps

(Te amo, te amo)	Without ask me why
She says to me	I said (te amo)
I hear the pain in her voice	Somebody (11) me what she said
Then we danced underneath the candelabra	Don't it mean I love you
She takes the lead	Think it (12) I love you
That's when I saw it in her eye	Don't it mean I (13) you
It's over	Yes we can dance
Then she says (te amo)	But you gotta watch your hands
Then she put her hand (1) me waist	Watch me all night
I told her no	I move (14) the light
She cries (te amo)	Because I understand
Told her I'm not (2) run away	That we all need love
But let me go	And I'm not afraid to (15) the love
My soul is a cry	But I (16) feel that way
Without ask me why	Then she (17) (te amo)
I said (te amo)	Then she put her hand around me waist
Somebody tell me what she said	I (18) her no
Don't it (3) I love you	She (19) (te amo)
Think it (4) I love you	I (20) her I'm not gonna run away
Don't it (5) I love you	But let me go
(Te amo, te amo) she's (6) to breathe	My (21) is a cry
I hold her hand, I got no (7) (uhh)	Without ask me why
Pull me out on the beach, (8) in the water	I said (te amo)
I start to leave	Somebody (22) me what she said
She's begging me and (9) why	Don't it (23) I love you
It's over	Think it (24) I love you
Then she says (te amo)	Don't it mean I love you
Then she put her hand around me waist	Think it means I love you
I told her no	I love you
She (10) (te amo)	(Te amo, te amo)
Told her I'm not gonna run away	Don't it mean I (25) you
But let me go	
My soul is a cry
