

It's getting crowded over here

Fill in the gaps

It's just the way the game is played	But babe the wait is over
It's best if you (1) wait your turn	Sometimes it (16) a thousand tries
The (2) is over, the (3) is over	To win, the wait is over
The wait is over, the wait is over	Fumble, don't you fumble
The wait is over, the wait is over	That's a (17) on the play
The wait is over, the wait is over	Babe if you (18) wanna then you don't have
I pitch with a grenade	to wait
Swing away if (4) feeling brave	But (19) we (20) be
There's so much power in my name	taking over
If you pop off and you say	It's just the way the game is played
It steady I'm gonna do the wave	It's best (21) you just (22) your turn
I'm such a fuckin' lady	Baby put the work in like a champion
You don't have to be so afraid	But the crowd is screaming with their hands way up
'Cause I got (5) up on my team	Couldn't be with no one else
You can play but hold up	You're the only way I'll win
It's just the way the (6) is played	Baby got the whole world standing up
It's best that you just wait your turn	Damn I'm glad I picked ya, took a chance on love
It's getting crowded over here	Baby love the time is now
But (7) the wait is over	And now the wait is over
Sometimes it (8) a thousand tries	The (23) is over, the wait is over
To win, the (9) is over	The (24) is over, the wait is over
Fumble, don't you fumble	(Just wait your turn)
That's a flag on the play	The wait is over, the wait is over
Babe if you don't wanna then you (10) have	The wait is over, the (25) is over
to wait	(Just wait your turn)
But together we gon' be (11) over	It's (26) crowded over here
It's just the way the game is played	But babe the wait is over
It's best that you just wait your turn	Sometimes it takes a thousand tries
So you don't wanna wait	To win, the (27) is over
I hate to hear, that's such a shame	Fumble, don't you fumble
'Cause if you play it sideways	That's a flag on the play
Ain't no timeout in my game, (12) already	Babe if you don't wanna then you don't have to wait
underway	But together we gon' be (28) over
I know you want to win	It's (29) the way the game is played
And you wish I (13) let you in	It's best that you just wait your turn
Get in line over here	Just wait your turn
You can play but (14) up	The wait is over, the wait is over
It's just the way the game is played	The wait is over, the wait is over
It's (15) that you just wait your turn
