

## Fill in the gaps

So I've been thinking
Of the way you used to talk to me
And now it seems we never talk at all
So kiss me (1) you would kiss me
If it were the last time
Hold me now
Hold me (2) you did hold me when it was
The first time
'Cause I can feel you slipping away
And I can't think of anything to say
That will (3) you around and (4) you
stay
I can feel you slipping away
Slipping away
Now I can see you
Talking softly on the (5) again
And more and more you need to be alone
Now I make you angry just by being near
And even when we're together now we still feel lonely

So kiss me (b) you would kiss	me
If it (7) the last time	
Hold me now	
Hold me like you did hold me when it was	i
The first time	
Cause I can feel you (8)	away
And I can't think of anything to say	
That will turn you around and (9)	you stay
I can feel you slipping away	
Slipping away	
Cause I can feel you slipping away	
And I can't think of anything to say	
That will turn you around and make you s	tay
I can feel you slipping away	
Slipping away
