Close your (6) just reach (7) arms out
wide
Cut me loose, my parachute won't let me fly

Summer days will fade away and pass us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of what we had, we got love

Just wanna (8) up at your side

Think of what we had, we got love
And it's all we had, we got love
