## Fill in the gaps

Get this night off right
Get triis riight on right
And turn the bass up
Blow my ear drums up
Just like a firetruck
Get this night off right
And turn the bass up
Yeah, I like it loud
I like it loud
You know I (1) it loud
Can't hear a fucking sound
My ears are ringing now
'Cause that's how we get down
Now move your body
So the (2) can set you free
Another round
And we can drown out our hearts beating
Just like a drug
I let the music set me free
I like it loud, I like it loud
Get this night off right
And turn the bass up
Blow my ear drums up
Blow my ear drums up Just like a firetruck
,
Just like a firetruck
Just like a firetruck  Get this night off right
Just like a firetruck  Get this night off right  And turn the bass up
Just like a firetruck  Get this night off right  And turn the bass up  Yeah, I like it loud
Just like a firetruck  Get this night off right  And turn the bass up  Yeah, I like it loud  I like it loud
Just like a firetruck Get this night off right And turn the bass up Yeah, I like it loud I like it loud Shaking through your legs
Just like a firetruck Get this night off right And turn the bass up Yeah, I like it loud I like it loud Shaking through your legs The way the sub drops
Just like a firetruck Get this night off right And turn the bass up Yeah, I like it loud I like it loud Shaking through your legs The way the sub drops Feel it in your chest
Just like a firetruck Get this night off right And turn the bass up Yeah, I like it loud I like it loud Shaking through your legs The way the sub drops Feel it in your chest The way your heart stops
