

Fill in the gaps

If I'm James Dean, Then You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight
If you want to
I can show you
What my dreams are made of
As I'm dreaming of your face
I've (1)_____ away for a long time
Such a long time
And I miss you there
I can't imagine being anywhere else
I can't imagine being anywhere (2)_____ but here
How the (3)_____ did you ever pick me?
Honestly, I could (4)_____ you a song
But I don't think words can express your beauty
It's (5)_____ to me
How the hell did we end up like this?
You bring out the beast in me
I fell in love from the moment we kissed
Since then we've been history
They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me
It goes to show, I hope (6)_____ you know that you are
What my dreams are (7)_____ of
Can't fall asleep, can't fall asleep
I lay in my bed awake, in my bed awake at night
As I (8)_____ of you
I'll fall in love, you'll fall in love

It could mean everything, everything to me
I can't imagine being anywhere else
They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me
The way that we are
It's the reason I stay
As long as you're here with me
I know we'll be ok
The way that we are
It's the reason I stay
As long as you're here with me
I know I'll be ok
They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that (9)_____ won't be broken
But I swear that I will never leave
Please stay forever with me
They say that love is forever
Your forever is all (10)_____ I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me

Answer
