## Fill in the gaps

#### Henry Lee by Nick Cave & The Bad Seeds & PJ Harvey

Get down, get down, little Henry Lee	And throw him in (6) deep deep well
And stay all night with me	Is more than one hundred feet
You won't find a girl in this damn world	And the wind did howl and the wind did blow
That will (1) with me	(La la la la)
And the wind did howl and the wind did blow	(La la la lee)
(La la la la la)	A little bird lit (7) on Henry Lee
(La la la la lee)	Lie there, lie there, little Henry Lee
A little bird lit down on Henry Lee	Till the flesh drops from your bones
I can't get down and I won't get down	For the girl you have in that merry green land
And stay all night (2) thee	Can (8) forever for you to come home
For the girl I have in that merry green land	And the wind did howl and the wind did moan
I love far (3) than thee	(La la la la)
And the wind did howl and the wind did blow	(La la la lee)
(La la la la la)	A little bird lit down on Henry Lee
(La la la la lee)	(La la la la)
A little bird lit down on Henry Lee	(La la la lee)
She leaned herself against a fence	A little bird lit down on Henry Lee
Just for a kiss or two	(La la la la)
And with a little pen-knife held in her hand	(La la la lee)
Well, she plugged him (4) and through	A little bird lit down on Henry Lee
And the wind did roar and the wind did moan	(La la la la)
(La la la la la)	(La la la lee)
(La la la la lee)	A little bird lit down on Henry Lee
A little bird lit down on (5) Lee	
Come take him by his lilly-white hands	
Come take him by his feet
