She Works Hard For The Money by Donna Summer

She works hard for the money	But it's worth it all
So (1) for it, honey	Just to hear them say that they care
She works hard for the money	She works (8) for the money
So you (2) treat her right	So hard for it, honey
She works hard for the money	She works hard for the money
So hard for it, honey	So you better treat her right
She works hard for the money	Already knows
So you better treat her right	She's seen her bad times
Onetta, there in the corner stand	Already knows
And she wonders where she is and	These are the good times
It's strange to her	She'll never sell out
Some people seem to have everything	She (9) will
Nine a. m. on the hour hand	Not for a dollar bill
And she's waiting for her bell	She works hard
And she's (3) real pretty	So hard for it, honey
Just wait for her clientele	She works hard for the money
She works hard for the money	So you better treat her right
So hard for it, honey	She works hard for the money
She works hard for the money	So hard for it, honey
So you better treat her right	She works hard for the money
She works hard for the money	So you better treat her right
So hard for it, honey	She works hard, hard, hard for the money
She works (4) for the money	So hard, hard, hard for it honey
So you better (5) her right	Hard for the money
Twenty eight years have come and gone	So you better treat her right, her right
And she' seen a lot of tears	
Of the ones who come in	
They (6) seem to need her there	
It's a sacrifice working day to day	
For little money just (7) for pay
