

Fill in the gaps

Let's play a game my dear, you read my mind	Under the influence of wine and jazz
While I try to figure out	I'll say I love you (7) time
What's inside	And you, you will (8) me though
Under the influence of (1) and jazz	One day
I'll say I love you every time	I'm feeling high
And you, you will believe me though	Oh, the next I'm feeling down
One day	And I don't think that you have ever known me well
I'm feeling fine	Or listened to the songs I sang
Oh, the next I'm feeling down	They were honest
And I don't think (2) you (3) ever known	And I don't (9) that you have ever felt this way
me well	Or listened to (10) words I sang
Or listened to the (4) I sang	They were 'bout you
They were honest	One day
And I don't think that you have ever known me well	I'm feeling fine
Or listened to those (5) I sang	Oh, the next I'm feeling down
They were 'bout you	(I'm feeling down)
My eyes have danced with yours a million times	
Waiting for the (6) dawn
