It's Time by Imagine Dragons

Fill in the gaps

So this is what you meant		It's time to begin, is	sn't it?		
When you said that you were spent		I get a little bit bigger, but then I'll admit			
And now it's time to build from the (1)	of the	I'm just the same as I was			
pit		Now don't you understand			
Right to the top		I'm never changing who I am			
Don't hold back		It's time to begin, isn't it?			
Packing my bags and giving the academy a rain check		I get a little bit bigger, but then I'll admit			
I don't ever want to let you down		I'm just the same as I was			
I don't ever want to leave this town	Now don't you understand				
'Cause after all		I'm (5)	_ changing who	I am	
This city (2) sleeps at night		This road (6)	(7)		so lonely
It's time to begin, isn't it?		This house doesn't burn (8) slowly			
I get a little bit bigger, but then I'll admit		To ashes, to ashes			
I'm just the same as I was		It's time to begin, isn't it?			
Now don't you understand		I get a little bit bigger, but then I'll admit			
I'm never changing who I am		I'm just the same as I was			
So this is where you fell		Now don't you understand			
And I am (3) to sell		I'm never changing who I am			
The path to heaven runs through miles of clouded hell		It's time to begin, isn't it?			
Right to the top		I get a little bit bigger, but then I'll admit			
Don't look back	I'm (9) the same as I was				
Turning to rags and giving the commodities a rain check	(Now don't you und	erstand		
I don't ever want to let you down		I'm never (10)		who I am	
I don't ever want to leave this town					
'Cause after all					
This city (4) sleeps at night
