

## Fill in the gaps

So this is what you meant	It's (13) to begin, isn't it?
When you said that you (1) spent	I get a (14) bit bigger, but (15) I'll
And now it's time to build from the bottom of the pit	admit
Right to the top	I'm just the same as I was
Don't hold back	Now don't you understand
Packing my bags and giving the academy a (2)	I'm never changing who I am
check	It's time to begin, isn't it?
I don't ever (3) to let you down	I get a little bit bigger, but then I'll admit
I don't ever want to leave this town	I'm just the same as I was
'Cause (4) all	Now don't you understand
This (5) (6) sleeps at night	I'm (16) who I am
It's time to begin, isn't it?	This road (18) (19) so lonely
I get a little bit bigger, but then I'll admit	This house doesn't (20) (21) slowly
I'm just the same as I was	To ashes, to ashes
Now don't you understand	It's time to begin, isn't it?
I'm never changing who I am	I get a little bit bigger, but (22) I'll admit
So (7) is (8) you fell	I'm just the same as I was
And I am left to sell	Now don't you understand
The path to heaven runs through miles of	I'm (23) changing who I am
(9) hell	It's time to begin, isn't it?
Right to the top	I get a little bit bigger, but then I'll admit
Don't look back	I'm just the (24) as I was
Turning to (10) and giving the commodities a rain	Now don't you understand
check	I'm never changing who I am
I don't ever want to let you down	
I don't (11) want to leave this town	
'Cause after all	
This city (12) sleeps at night
