

What Goes Around...Comes Around by Justin Timberlake

Hey girl
Is he everything you wanted in a man?
You know I gave you the world
You had me in the palm of your hand
So, why the love went away?
I just can't seem to understand
Thought it was me and you, baby
Me and you (1) the end
But I guess I was wrong
Don't wanna think (2) it
Don't wanna talk about it
I'm just so sick about it
I can't believe it's ending this way
Just so confused about it
Feeling the blues about it (yeah)
l just can't do (3) ya
Tell me is this fair
ls (4) the way it's really going down?
Is this how we say goodbye?
Should've (5) better when you came around
That you were gonna make me cry
It's breaking my heart to watch you run around
Cause I know that you're living a lie
But that's ok, baby
Cause in (6) you will find
What goes around, goes around
Comes all the way back around
What (7) around, goes around, goes around

It's breaking my heart to watch you run around

Fill in the gaps

Cause I know that you're living a lie But that's ok, baby 'Cause in time you will find What goes around, goes around, goes around Comes all the way back around What goes around, (14)_____ around, goes around Comes all the way back around What goes around, (15)_____ around, goes around Comes all the way back around What (16)_____ around, goes around, goes around Comes all the way back around Yeah (...) (Let me paint this picture for you, baby)
You spend your nights alone
And he never comes home
And (23) you call him
All you get a (24) tone
I (25) you found out
That he's doing to you
What you did to me
Ain't that the way it goes
When you cheated, girl
My heart bleeded, girl
So keep going without saying
That ya left me feeling hurt
Just a classic case a scenario
Tell is over
Girl, you got what you deserved
And now you (26) somebody
To (27) the lonely nights
You wish you had somebody
That could come and make it right
But girl, I ain't somebody
Whit a lot of sympathy
See
What goes around comes back around
I thought I told ya (hey)
What goes around comes back around
I (28) I told ya (hey)
What goes around (29) back around

I thought I (30)_____ ya (hey...)

I thought I told ya (hey...)

See...

You should listened to me, baby...

Baby...

Because "What goes around comes back around"
