

## Fill in the gaps

I wanna go to bed with arms around me	If I don't believe in love nothing is new for me
But wake up on my own	Nothing is wrong for me
Pretend (1) I'm still sleeping	And nothing is real for me
'Til you go home	If I don't believe in love nothing is good for me
(Oh) I can't look at you this morning	If I don't believe in love nothing will last for me
I should probably have a sign	When I don't believe in love nothing is new for me
That says "leave (2) now or quicker"	Nothing is wrong for me
You've overstayed your time	And nothing is real for me
If I don't believe in love nothing will last for me	If I (8) believe in love why do you care for
If I don't believe in love nothing is safe for me	me?
When I don't believe in (3) you're too close to me	When I don't believe in love nothing is real for me
And that's why you have to leave	If I don't believe in love you're getting to close to me
Maybe I slept (4) on your shoulder	That's why you have to leave
Your arm warm around my side	That's why you have to leave
But it's different now, it's morning	If I don't believe in love
And I can't face your smile	If I don't believe in love
The second that I feel your safe hands	If I don't believe in love
Reaching out for mine	Nothing is left for me
I (5) (6) and out of sight	If I don't believe in love
You've overstayed your time	You're too good for me
If I don't believe in love nothing is good for me	
If I don't believe in love nothing will (7) for me
