

## Fill in the gaps

im wiser now	Time for me to do it
I'm not the foolish girl you used to know	I (11) again, go back to one
So (1) ago	I'm running (12) in my way
I'm (2) now	Can't stop me now, I've just begun
I've learned from my (3) which way to go	Don't (13) think (14) it
And I should know	There ain't no way about it
I put myself aside to do it your way	I'm taking names, to (15) is mine
But now I need to do it all alone	Yes I'm gonna take my turn
And I am not afraid to try it on my own	It's time for me to finally (16) alone
I don't care if I'm (4) or wrong	Stand alone
I'll live my (5) the way I feel	I am not afraid to try it on my own
No (6) what I'll keep it real, you know	And I don't care if I'm (17) or wrong
Time for me to do it	I'll live my (18) the way I feel
On my own	No matter (19) I'm gonna keep it real, you know
It's over now	It's time for me to do it
I can't go back to living (7) your eyes	See I am not afraid
Too many lies	To try it on my own
And if you don't know by now	And I don't (20) if I'm right or wrong
I can't go back to being someone else	I'll live my (21) the way I feel
Not anymore	No (22) what I wanna (23) it real,
I never had the chance to do things my way	you know
So now it's (8) for me to take control	It's time for me to do it
And I am not (9) to try it on my own	On my own
I don't care if I'm right or wrong	On, on my own
I'll live my (10) the way I feel	
No matter what I'm gonna keep it real, you know
