

Fill in the gaps

I'm wiser now	Time for me to do it
I'm not the foolish girl you used to know	I start again, go back to one
So (1) ago	I'm running (5) in my way
I'm stronger now	Can't stop me now, I've (6) begun
I've learned from my mistakes which way to go	Don't even think about it
And I should know	There ain't no way about it
I put myself aside to do it your way	I'm taking names, to what is mine
But now I need to do it all alone	Yes I'm gonna take my turn
And I am not afraid to try it on my own	It's time for me to finally stand alone
I don't care if I'm right or wrong	Stand alone
I'll live my life the way I feel	I am not (7) to try it on my own
No matter what I'll keep it real, you know	And I don't care if I'm right or wrong
Time for me to do it	I'll live my life the way I feel
On my own	No (8) what I'm (9) keep it real,
It's (2) now	you know
I can't go back to living through your eyes	It's time for me to do it
Too many lies	See I am not afraid
And if you don't know by now	To try it on my own
I can't go back to being someone else	And I don't care if I'm right or wrong
Not anymore	I'll live my life the way I feel
I (3) had the chance to do things my way	No matter what I wanna keep it real, you know
So now it's time for me to take control	It's time for me to do it
And I am not (4) to try it on my own	On my own
I don't care if I'm right or wrong	On, on my own
I'll live my life the way I feel	
No matter what I'm gonna keep it real, you know
