## The Day That Never Comes by Metallica

Born to (1) you around	Take you back one day
Better just (2) down	I'll end this day
You put away	I'll splatter color on this gray
He hit's the flesh	Waiting for the one
You hit the ground	The day that never comes
Mouth so full of lies	When you stand up and (5) the warmth
Tend to black your eyes	But the sunshine never comes
Just keep them closed	Love is a (6) word
Keep praying just keep waiting	And never (7) here
Waiting for the one	Love is a fallen word
The day that never comes	Here in this prison
When you stand up and feel the warmth	I (8) this no longer
But the sunshine never comes	I'll put an end to
No the (3) never comes	This I swear, (9) I swear
Pushed you across (4) line	The sun will shine
Just stay down this time	This I swear, (10) I swear
Hide in yourself	This I swear
Crawl in yourself
