Welcome Home by Metallica

Fill in the gaps

Welcome to where time stands still	Keep him tied, it makes him well
No one leaves and no one will	He's getting better, can't you tell?
Moon is full, never (1) to change	No (14) can they keep us in
Just labeled mentally deranged	Listen, (15) it, we will win
Dream the same thing (2) night	They see it right, (16) see it well
I see our freedom in my sight	But they think this saves us from our hell
No locked doors, no windows barred	Sanitarium
No (3) to (4) my brain seem	Leave me be
scarred	Sanitarium
Sleep, my friend, and you will see	Just leave me alone
That dream is my reality	Sanitarium
They keep me locked up in (5) cage	Just (17) me alone
Can't (6) see it's why my brain (7)	Fear of (18) on
"rage"	Natives (19) restless now
Sanitarium	Mutiny in the air
Leave me be	Got (20) death to do
Sanitarium	Mirror stares (21) hard
Just leave me alone	Kill, it's such a friendly word
Build my (8) of what's out there	Seems the (22) way
Cannot (9) the open air	For reaching out again
Whisper things into my brain	
Assuring me that I'm insane	
They (10) our (11) are in	
(12) hands	
But (13) use brings violent plans
