

Fill in the gaps

Welcome to where time stand	ds still	
No one (1) a	and no one will	
Moon is full, (2)	seems to change	
Just (3) m	entally deranged	
Dream the same thing every night		
I see our freedom in my sight		
No locked doors, no windows barred		
No things to make my brain seem scarred		
Sleep, my friend, and you will see		
That dream is my reality		
They (4) me locke	ed up in this cage	
Can't they see it's why my brain says "rage"		
Sanitarium		
Leave me be		
Sanitarium		
Just leave me alone		
Build my fear of what's out th	iere	
Cannot breathe the open air		
Whisper things into my brain		
Assuring me that I'm insane		
They think our heads are in t	heir hands	
But violent use brings (5)	plane	

Keep him tied, it makes him well	
He's getting better, can't you tell?	
No more can they keep us in	
Listen, (6) it, we will win	
They see it right, they see it well	
But they think this saves us from our hell	
Sanitarium	
Leave me be	
Sanitarium	
Just leave me alone	
Sanitarium	
Just leave me alone	
Fear of living on	
Natives getting restless now	
Mutiny in the air	
Got some death to do	
Mirror stares (7) hard	
Kill, it's such a (8) wor	Ċ
Seems the only way	
For reaching out again	

- 1. leaves
- 2. never
- 3. labeled
- 4. keep
- 5. violent
- 6. damn
- 7. back
- 8. friendly
