

Still life

## Fill in the gaps

## All Nightmare Long (Live) by Metallica

Luck	Infamy
Runs	Hallucination
Out	Heresy
Crawl from the wreckage one (1) time	Still you run, what's to come?
Horrific (2) twists the mind	What's today?
Dark, rugged, (3) and hard to turn	'Cause we (12) you down (13)
Path of destruction, feel it burn	mercy
Still life	Hunt you down all nightmare long
Immolation	Feel us breathe upon your face
Still life	Feel us shift, every move we trace
Infamy	Hunt you down (14) mercy
Hallucination	Hunt you down all nightmare long, yeah
Heresy	Luck
Still you run, what's to come?	Runs
What's today?	I crawl back in
Cause we hunt you down without mercy	But your luck runs out
Hunt you (4) all nightmare long	Out
Feel us breathe upon (5) face	Then you (15) (16) in
Feel us shift, (6) (7) we trace	Into your obsession
Hunt you down (8) mercy	Never to return
Hunt you down all nightmare long, yeah	This is (17) confession
Luck	Hunt you (18) (19) mercy
Runs	Hunt you down all (20) long
I (9) back in	Feel us breathe upon your face
But your luck runs out	Feel us shift, (21) move we trace
Luck	Hunt you down without mercy
Runs	Hunt you down all (22) long, yeah
Out	Luck
The light that is not light is here	Runs
To flush you out with your own fear	I crawl (23) in
You hide, you hide, but will be found	But (24) luck (25) out
Release your (10) a	Luck runs out
sound	Out
Still life	
Immolation
