

Fill in the gaps

I can still taste you on my lips	You (4) me feel, you understand
Your tenderness	With you I won't be, a better man
You always gave me something	(You give me the demon to love you)
The way you made me feel	Got too many reasons why I can't
Before you left	(You give me the demon to meet)
See you're jading me, dazing me	Oh Lord, you picked me up so many times
And I just wasn't ready	But now you just break my soul
Cash on, walk out on today	No more, I tried to stop loving you
Oh Lord, still you always (1) me wanting	But I don't really have control
(Oh) let me go, you let me down	Oh Lord, no matter how hard I try
When I'm with you, I'm broken now	I always end up on this road
You made me feel, you understand	(Oh)
With you I won't be, a better man	(Oh) still you always keep me wanting
(You give me the demon to love you)	(Oh) let me go, you let me down
Got too many reasons why I can't	When I'm (5) you, I'm (6) nor
(You give me the demon to meet)	You (7) me feel, you understand
Only (2) time it seems, they've always been	With you I won't be, a better man
The safest place for hiding	(You give me the (8) to love you)
People love to say, I'm blind to see	Got too many reasons why I can't
I can face it, I will stay	(You give me the demon to meet)
And you (3) I ever speak it	(You give me the demon to (9) you)
And that's all I ever need	Every single reasons why I'm back
Oh Lord, still you always keep me wanting	(You (10) me the demon to meet)
(Oh) let me go, you let me down	
When I'm with you, I'm broken now
