

Fill in the gaps

My guilt and my shame	So I'm safe but I'm a little outside
Always (1) me short, always feel the same	I'm gonna (17) when I'm (18)
And my face and my soul	alive
Always wear me thin, (2) under control	Stay
But the longest (3) you'll have in your life	You don't always know (19) you stand
Are the ones you sit, (4) to know if you're	Till you know (20) you won't run away
right	There's something (21) me that feels
So I'll wait, but I pray that I'm wrong	Like breathing in sulfur
Because I think I know what's goin' on	Like (22) in sulfur
So let me get this straight, the only will is my own	Like breathing in sulfur
I do what ever I want and stay alone	Stay
All my decisions make it untouchable and tainted	You don't always know where you stand
I'm (5) (6) for the rest of my life	Till you know that you won't run away
But I (7) (8) a way to survive	There's something inside me that feels
I'm not a failure, but I know what its like	Like (23) in sulfur
I can (9) it, or leave it or die!	Stay
Stay	You don't always (24) where you stand
You don't always know (10) you stand	Till you know that you won't run away
Till you know (11) you won't run away	There's something inside me that feels
There's something inside me that feels	Like breathing in sulfur
Like breathing in sulfur	Like breathing in sulfur
My life is undone	Like breathing in sulfur
And I'm a sinner to most, but a sage to some	Like breathing in sulfur
And my (12) are untrue	Like breathing in sulfur
I'm probably wrong, but I'm (13) than you	Like breathing in sulfur
And the longest (14) I've had in my life	
Were the (15) I want (16) to	
know I was right
