The guy gets all the glory the more he can score

While the girl can do the same and yet you call her a whore

Can't Hold Us Down by Christina Aguilera

featuring Lil' Kim		I don't understand why it's OK,
So- What am I not s'pposed to have an opinion		The guy gets all the glory and the girl gets named
Should I keep quiet just because I'm a woman		All my ladies come together and make a change
Call me a bitch (1) I speak what's on my mind		And start a new beginning for us, everybody sang
Guess it's easier for you to swallow if I sat and smiled		CHORUS-repeat
When a female fires (2)		Lil' Kim:
Suddenly big (3) don't know how to act		Check it- Here's something I just can't understand
So he does what every little boy would do		If the guy have three girls (7) he's the man
Makin' up a few (4) rumors or two		He can either give us some head, sex her off
That for sure is not a man to me, slanderin' names for		If the girl can do the same, then she's a whore
popularity		But the table's about to turn
It's sad you only get your fame through controversy		I'll bet my fame on it
But now it's time for me to come and (5) you more		Cats take my ideas and put their (8) on it
to say		It's aiight though, you can't hold me down
CHORUS		I got to keep on movin'
This is for my girls all around the world		To all my girls with a man who be tryin' to mack
Who have come across a man who don't respect your worth		Do it right back to him and let that be that
Thinkin' all women should be seen not heard		You need to let him know that his name is wack
So what do we do girls, shout out loud		And Lil' Kim and Christina Aguilera got your back
Lettin' 'em know we're gonna stand our ground		You're just a little boy
So lift you hands (6)	and wave 'em proud	Think you're so cute, so coy
Take a deep breath and say it loud		You must talk so big to make up for smaller things
Never can, never will		You're just a little boy
Can't hold us down		All you do is annoy
Nobody can hold us down.		You (9) talk so big to make up for smaller things
Never can never will.		CHORUS-repeat 2X
So- What am I not supposed to say what I'm saying		Can't hold us down!
Are you offended with the message I'm bringin'		(repeat and fade out)
Call me whatever 'cause your words	s don't mean a thing	
Guess you ain't even a man enough to handle what I sing		
If you look back in history it's a co	ommon double standard of	
society
