Can't Hold Us Down by Christina Aguilera

featuring Lil' Kim	I don't understand why it's OK,
So- What am I not s'pposed to have an opinion	The guy (5) all the glory and the (6)
Should I keep quiet just because I'm a woman	(7) named
Call me a bitch cause I speak what's on my mind	All my ladies (8) together and make a change
Guess it's easier for you to swallow if I sat and smiled	And start a new beginning for us, everybody sang
When a female fires back	CHORUS-repeat
Suddenly big talker don't know how to act	Lil' Kim:
So he does what every little boy would do	Check it- Here's something I just can't understand
Makin' up a few false rumors or two	If the guy have three girls (9) he's the man
That for sure is not a man to me, slanderin' names for	He can either give us some head, sex her off
popularity	If the girl can do the same, then she's a whore
It's sad you only get your fame through controversy	But the table's about to turn
But now it's time for me to come and (1) you more	I'll bet my fame on it
to say	Cats take my ideas and put their name on it
CHORUS	It's aiight though, you can't hold me down
This is for my girls all around the world	I got to (10) on movin'
Who have come (2) a man who don't respect	To all my girls with a man who be tryin' to mack
your worth	Do it right back to him and let that be that
Thinkin' all women should be seen not heard	You need to let him know that his name is wack
So what do we do girls, shout out loud	And Lil' Kim and Christina Aguilera got your back
Lettin' 'em know we're gonna stand our ground	You're just a little boy
So lift you hands higher and wave 'em proud	Think you're so cute, so coy
Take a deep breath and say it loud	You must talk so big to make up for smaller things
Never can, never will	You're just a little boy
Can't hold us down	All you do is annoy
Nobody can hold us down.	You must talk so big to make up for smaller things
Never can never will.	CHORUS-repeat 2X
So- What am I not supposed to say what I'm saying	Can't hold us down!
Are you offended with the message I'm bringin'	(repeat and fade out)
Call me whatever 'cause your words don't mean a thing	
Guess you ain't even a man enough to handle (3) I	
sing	
If you look back in history it's a (4) double	
standard of society	
The guy gets all the glory the more he can score	
While the girl can do the same and yet you call her a whore
