The Number Of The Beast by Iron Maiden

Woe to you (Oh) earth and sea	In the mist, (4) figures (5) and twist
For the (1) sends the beast with wrath	Was all this for real, or just some (6) of hell
Because he knows the time is short	Six, six, six the number of the beast
Let him who hath (2) reckon	Hell and fire was spawned to be released
The number of the beast for it is a human number	Torches blazed and sacred chants were praised
It's number is six hundred and sixty six	As they start to cry, hands held to the sky
I left alone, my mind was blank	In the night, the fires burning bright
I needed time to think	The ritual has begun, Satan's (7) is done
To get the memories from my mind	Six, six, six the number of the beast
What did I see, can I believe?	Sacrifice is going on tonight
That what I saw that night was real	This can't go on, I must inform the law
And not just fantasy	Can this still be real or (8) some crazy dream
Just what I saw	But I feel drawn towards the evil chanting hordes
In my old dreams	They seem to mesmerize
Were they reflections	Can't avoid their eyes
Of my warped mind staring back at me	Six, six, six the number of the beast
'Cause in my dreams	Six, six, six the one for you and me
It's always there	I'm coming back, I will return
The evil face that twists my mind	And I'll possess your body and I'll make you burn
And brings me to despair	I have the fire, I have the force
Yeah!!!	I have the power to (9) my (10) take it
The night was black, was no use (3) back	course
'Cause I just had to see
