Fill in the gaps

The Number Of The Beast by Iron Maiden

Woe to you (Oh) earth and sea	In the mist, dark figures (7) and twist
For the Devil sends the beast with wrath	Was all (8) for real, or (9) some kind of
Because he knows the time is short	hell
Let him who (1)	Six, six, six the (10) of the beast
(2) reckon	Hell and (11) was (12) to be
The number of the beast for it is a human number	released
It's number is six hundred and sixty six	Torches blazed and (13) chants were praised
I left alone, my mind was blank	As (14) start to cry, (15) held to the
I needed (3) to think	sky
To get the memories (4) my mind	In the night, the fires (16) bright
What did I see, can I believe?	The ritual has begun, Satan's work is done
That what I saw that night was real	Six, six, six the number of the beast
And not just fantasy	Sacrifice is (17) on tonight
Just what I saw	This can't go on, I (18) inform the law
In my old dreams	Can this still be real or just some (19) dream
Were they reflections	But I feel (20) (21) the evil
Of my warped mind staring back at me	chanting hordes
'Cause in my dreams	They seem to mesmerize
It's always there	Can't avoid their eyes
The evil face that twists my mind	Six, six, six the number of the beast
And brings me to despair	Six, six, six the one for you and me
Yeah!!!	I'm coming back, I will return
The night was black, was no use (5) back	And I'll possess (22) body and I'll make you burn
'Cause I just had to see	I have the fire, I have the force
Was someone (6) me	I have the (23) to (24) my evil
	(25) its course
