The Number Of The Beast by Iron Maiden

Woe to you (On) earth and sea	In the mist, dark (5) move and twist
For the Devil sends the beast with wrath	Was all this for real, or just some kind of hell
Because he knows the time is short	Six, six, six the number of the beast
Let him who hath understanding reckon	Hell and fire was spawned to be released
The (1) of the beast for it is a human number	Torches blazed and sacred chants were praised
It's number is six hundred and sixty six	As they start to cry, hands held to the sky
l left alone, my (2) was blank	In the night, the fires burning bright
I needed time to think	The ritual has begun, Satan's (6) is done
To get the memories from my mind	Six, six, six the number of the beast
What did I see, can I believe?	Sacrifice is going on tonight
That what I saw that night was real	This can't go on, I (7) inform the law
And not just fantasy	Can (8) still be real or just some crazy dream
Just what I saw	But I feel drawn towards the evil chanting hordes
In my old dreams	They seem to mesmerize
Were they reflections	Can't avoid their eyes
Of my warped mind staring back at me	Six, six, six the number of the beast
Cause in my dreams	Six, six, six the one for you and me
It's always there	I'm coming back, I will return
The evil (3) that twists my mind	And I'll possess your body and I'll make you burn
And (4) me to despair	I have the fire, I (9) the force
Yeah!!!	I have the power to make my evil take its course
The night was black, was no use holding back
