Wait And Bleed (Live) by Slipknot

Fill in the gaps

(This song is called Wait and Bleed)	Makin' my mind up and takin' your breath awa
I've felt the hate rise up in me	I've felt the hate rise up in me
Kneel down and clear the stone of leave	Kneel down and clear the stone of leave
I (1) out where you can't see	I wander out where you can't see
Inside my shell, I wait and bleed	Inside my shell, I wait and bleed
I've felt the hate rise up in me	I've felt the (7) rise up in me
Kneel down and clear the stone of leave	Kneel down and clear the stone of leave
I wander out where you can't see	I wander out where you can't see
Inside my shell, I wait and bleed	Inside my shell, I wait and bleed
Goodbye!	Goodbye!
I wipe it off on tile, the light is brighter this time	You haven't learned a thing
Everything is 3D blasphemy	I haven't changed a thing
My (2) are red and gold	My flesh was in my bone
The hair is standing straight up	The pain was always free
This is not the way I (3) me	You haven't learned a thing
I can't control my shakes!	I haven't changed a thing
How the hell did I get here?	My flesh was in my bone
Something about this, so very wrong	The pain was always free
I have to (4) out loud, I wish I didn't like this	I've felt the (8) rise up in me
Is it a dream or a memory?	Kneel down and clear the stone of leave
I've felt the hate rise up in me	I wander out where you can't see
Kneel down and clear the stone of leave	Inside my shell, I (9) and bleed
I (5) out where you can't see	I've felt the hate rise up in me
Inside my shell, I (6) and bleed	Kneel down and clear the stone of leave
Get out of my head	I wander out where you can't see
'Cause I don't need this!	Inside my shell, I wait and bleed
Why I didn't I see this?	And it (10) for you!
